June Final Exam Schedule: All teacher-directed final exams have been scheduled. Students are required to write these exams on the scheduled date at the scheduled time unless they have made an application to their grade level administrator to have the exam waived due to significant extenuating circumstances. These circumstances will align with Alberta Education standards. Students who do not attend at the scheduled time or do not have a waiver approved, will receive a mark of zero for the final exam and will have a final grade for the course submitted to Alberta Education. These students will have the opportunity to write a make-up final exam on August 22 at 9 am. A re-calculated final grade will be submitted to Alberta Education at that time.

Our Guide to Reporting Student Achievement (as posted on our website) states:
Final summative assessments in secondary core subjects provide students with the opportunity to demonstrate their learning at the end of a course. In **exceptional circumstances** alternative final summative assessment arrangements may be made in consultation with school administration.

Textbooks: All textbooks must be returned the day you write the final exam in each subject.
