STUDENT PARKING LOT: Students parking in the student parking lot must have a valid parking pass displayed prominently. Tickets will be issued to any vehicles without a pass or those parking in the staff lot, the compound or in visitors parking. As we have a number of students on the waiting list for passes, students are reminded that anyone breaking school rules or being uncooperative with staff will have their passes rescinded.

Artist of the Week: Congratulations to Gurbeen Marar (Art 10) on her amazing large scale zentangle design. Check this unique piece of art work out in the front display case, and see more upstairs outside of the Art room, on FaceyTV and Social Media!

Orange Shirt Day is September 29th- Orange Shirt Day is a legacy of the St. Joseph Mission residential school commemoration event. It grew out of [Phyllis' story](#) of having her new orange shirt taken away on her first day of school at the Mission, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually. The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year.
