Principal's Council Meets FRIDAY at lunch in the office, ALL WELCOME!

GIRLS RUGBY SOCIAL - GET TO KNOW THE PROGRAM, SOCIALIZE AND HAVE SOME SNACKS IN THE LANGUAGE LAB AT 11:35 TODAY! ALL WELCOME

ASAP!!!! Grad Baby Pictures – Grads, please submit a tasteful photo of yourself between 0-7 years of age for the grad portrait slideshow. *To submit your baby picture:* **Electronic version** via email only to bevfaceybabyphotos@gmail.com Please save your picture in **jpeg format**. Put your last name, first name in the subject line of the email. Hard copies can also be dropped off in the office.

Grade 12 Reminder: Placard parking passes are no longer valid, and will not be acceptable in the student parking lot. Ticketing will begin today. If you have not traded your pass in please do so today. If you have overdue textbooks, they must be turned in first. Please visit the office if you have any questions.

Wake-a-thon - Facey's 5th annual Wake-a-thon is returning March 9th - 10th. Forms are available at the office or in the FLI room.

Computer Science Internship - There will be an informational meeting about the U of A's Computer Science High School Internship Program Monday March 5th at 11:50 in Room 215.

Cafeteria Servers/Cashiers: If you are interested in working in the cafeteria at lunch please come and see Mrs. Steele-Watts.

INTRAMURALS -

Captain's Meeting: Team informational meeting will be **Tuesday March 6th in the banner gym at 12**. A representative from each team must be present to be included in the schedule.

CLUBS

Facey Gaming Club: Science Lab 291 - Hang out and play some card / board games over the lunch hour! **EVERYDAY**.

Astronomy Club: The astronomy club is proud to present the model of the solar system. The model represents all 8 planets in our system. To scale all the planets relative distances based on these sizes would require the planets spread out from here to Ardrossan!!! While you will notice that Pluto (formerly the ninth planet) is missing from this model, there is a predicted 9th planet located at least 10 times further away from the Sun than Neptune that Astronomers are currently looking for. Later this week keep your eyes posted for clues to find the elusive 9th planet in our model (located somewhere in Sherwood Park). Find this "hidden planet" and you could win 2 tickets to the movies at Galaxy cinemas! Good luck planet hunters. Enjoy the video on the big screen in the foyer to learn a little bit about your cosmic backyard...and for scale, the screens represent only 1/20th the diameter of the sun!!!

Model UN: Congrats to all the students who attended the HSMUN conference this weekend at the U of A- you were great ambassadors for the school. Wrap Up meeting Monday March 5th at lunch - we will discuss Open House and clothing.

Cyber Defence: Next meeting Monday March 5th @3:20. **Topic:** Encryption and Decryption in Python. No programming experience needed. New members welcome. Congratulations to the sr. cyber defense team on earning an invitation to nationals in New Brunswick! Congrats as well to the Jr team, who were only 2 points behind.
