Grad Council Meeting March 7th in the Cosmetology Room 1135am. ALL grade 12 students interested in grad are welcome to attend.

Principal's Council Meets FRIDAY at lunch in the office, ALL WELCOME!

ASAP!!!! Grad Baby Pictures – Grads, please submit a tasteful photo of yourself between 0-7 years of age for the grad portrait slideshow. *To submit your baby picture:* **Electronic version** via email only to bevfaceybabyphotos@gmail.com Please save your picture in **jpeg format**. Put your **last name, first name** in the subject line of the email. Hard copies can also be dropped off in the office.

Grade 12 Reminder: Placard parking passes are no longer valid, and will not be acceptable in the student parking lot. Ticketing will begin today. If you have not traded your pass in please do so today. If you have overdue textbooks, they must be turned in first. Please visit the office if you have any questions.

Wake-a-thon - Facey's 5th annual Wake-a-thon is this weekend! (March 9th - 10th). Forms are available at the office- your form and \$20 minimum donation to the Edmonton Humane Society are **due to the office Thursday**.

Pi Day- Wednesday March 14th celebrate Pi day with FLI! Come to the cafeteria at lunch for a pie eating contest and an auction to pie a teacher in the face. Or you could win a pie for reciting the most of digits of pi!

Cafeteria Servers/Cashiers: If you are interested in working in the cafeteria at lunch please come and see Mrs. Steele-Watts.

INTRAMURALS -

Upcoming Games:

- Friday March 9:** Yin's Babes v Dodgeball Team
- Mon March 12:** \$andwich Mongler\$ v Fire Breezing Fairies
- Tues March 13:** Kelly's ABC's v Brava Boys
- Thurs March 15:** One Hit Wonders v Hot Diggity Dodge

CLUBS

Facey Gaming Club: Science Lab 291 - Hang out and play some card / board games over the lunch hour! **EVERYDAY**.

English AP 30-1 tutoring begins March 14th in room 276. Be there or be square!!!!

Astronomy Club: The astronomy club is proud to present the model of the solar system. The model represents all 8 planets in our system. To scale all the planets relative distances based on these sizes would require the planets spread out from here to Ardrossan!!! While you will notice that Pluto (formerly the ninth planet) is missing from this model, there is a predicted 9th planet located at least 10 times further away from the Sun than Neptune that Astronomers are currently looking for. Later this week keep your eyes posted for clues to find the elusive 9th planet in our model (located somewhere in Sherwood Park). Find this "hidden planet" and you could win 2 tickets to the movies at Galaxy cinemas! Good luck planet hunters. Enjoy the video on the big screen in the foyer to learn a little bit about your cosmic backyard...and for scale, the screens represent only 1/20th the diameter of the sun!!!

Model UN: if you missed yesterday's meeting and are interested in a MUN hoodie, see Johnson ASAP.

Cyber Defence: Next meeting Monday March 19th. Guest Speaker.

ATHLETICS
