

**Bev Facey Community High School**  
**Daily Bulletin**  
**April 11, 2018**

A message board for the Humboldt Bronco's has been placed at the front entry of the school. Staff and students are encouraged to write well wishes and thoughts of support to the team and families. A digitized version will be sent to those affected to show our school's support.

In light of the Humboldt tragedy which has impacted and will continue to have repercussions in so many communities, including ours, we would like to offer an opportunity for our students and staff to actively participate in showing their support. We have decided to offer a BBQ lunch for the whole school community on FRIDAY APRIL 13th as a way to come together and show our support for all of those individuals that have been touched by this horrific incident. We will offer hamburger or hot dog, chips and pop for a minimum \$5.00 cost (larger donations accepted), with all proceeds going towards supporting this cause.

April 12th is Jersey Day, please wear a jersey in support of the Humboldt Broncos! Since many feel that this is an important event, if you have jerseys to lend to friends, we encourage you to help each other out. If you are struggling with finding a jersey, please visit the office today and we may be able to help you out.
