

Bev Facey Community High School
Daily Bulletin
April 13, 2018

A message board for the Humboldt Bronco's has been placed at the front entry of the school. Staff and students are encouraged to write well wishes and thoughts of support to the team and families. A digitized version will be sent to those affected to show our school's support.

In light of the Humboldt tragedy which has impacted and will continue to have repercussions in so many communities, including ours, we would like to offer an opportunity for our students and staff to actively participate in showing their support. We have decided to offer a BBQ lunch for the whole school on FRIDAY APRIL 13th as a way to come together and show our support for all of those individuals that have been touched by this horrific incident. We will offer hamburger or hot dog, chips and pop for a minimum \$5.00 cost (larger donations accepted), with all proceeds going towards supporting this cause.

Indian Horse by Richard Wagamese: A story about Saul Indian Horse, a young Canadian First Nations boy who survives the Indian residential school system to become a star ice hockey player. This book is now a movie - released today in limited theaters for a limited time.
