

Stay Connected: Subscribe to EIPS email news

As of the 2018-19 school year, Elk Island Public Schools (EIPS) is moving to a new service provider for sending phone and email notifications to families, School Messenger. Families won't notice much of a difference—all email subscriptions are being transferred so, there is no need to resubscribe.

If you're new to EIPS and want to start receiving Division news and updates, or just want to review your subscription information, visit www.eips.ca/contact/subscribe. Canada's Anti-Spam Legislation (CASL) requires the Division to have direct consent before engaging in electronic communication with its families. Only those who have subscribed to receive emails will get information about Division and school-related news, such as newsletters, information about upcoming events, parent and community engagement opportunities, important school-based updates and more.

NOTE: Even if you're not subscribed, you will continue to receive emails regarding emergency situations and financial matters. Those who received notifications about high school attendance will also continue to receive those messages.
