

Bev Facey Community High School Daily Bulletin September 14, 2018

With the high volume of traffic in front of Bev Facey please be very mindful of traffic on Colwill Boulevard and only cross the road when safe to do so. Additionally, students should not be parking in the residential area across from the school in Nottingham Green. Bylaw enforcement will out ticketing and towing vehicles that are parked illegally. We hope to have good relationships with our neighbors and keep our community clean by using the garbage receptacles outside the school. Your understanding and support is appreciated!

At **Encounters with Canada**, high school students from Canada meet others who share similar interests in Ottawa for a week. They learn about careers from seasoned professionals, discover the gems of our nation's capital, meet with politicians, ambassadors, athletes, and business people and learn more about what it means to be Canadian. **You must be 14 -17 years old. The cost is \$750 with a provincial subsidy of \$175 making the total \$575.** The price includes lodging, meals, most planned activities and local transportation. **Travel to Ottawa from anywhere in Canada is ENTIRELY FREE.** See **Mr. Schoblocher** in **room 281** for more details.
