REMINDERS:

With the high volume of traffic in front of Bev Facey we are asking students to please be very mindful of traffic on Colwill Boulevard and only cross the road when safe to do so. Additionally, students should not be parking in the residential area across from the school in Nottingham Green. Bylaw enforcement will out ticketing and towing vehicles that are parked illegally. We hope to have good relationships with our neighbors and keep our community clean by using the garbage receptacles outside the school. Your understanding and support is appreciated!
