Scholarship: Every year, the Loran Scholars Foundation invests in exceptional young Canadians who demonstrate character, service and leadership. They look for qualities that a transcript alone cannot show: personal integrity and character; commitment to service and an entrepreneurial spirit; breadth in academic and extra-curricular interests; strongly developed inner-directedness; and outstanding overall potential for leadership. Through the country's most rigorous and personalized selection process, which includes interviews at the regional and national level, we select the top 30 of approximately 3,600 applicants as Loran Scholars. If you are a top academic grade 12 student who also exemplifies these qualities, see student services to see if you qualify for nomination. Deadline is Oct 21st.
