

Bev Facey Community High School

Student Services Department: Guidance and Counselling (780-467-0044)

Welcome to--or welcome back to--Bev Facey Community High School, and to the Student Services Department.

The Student Services Department, located on the main floor, east (blue) hallway of the school, offers a wide range of guidance and counselling services to students, parents and staff.

What services are offered?

At Bev Facey, students are assigned to a specific counsellor who remains with them over their three years of high school. This allows the counsellor to focus attention on the needs of the individual as his/her progress and specific concerns are followed from year to year.

Although a specific counsellor is assigned to each group of students, with three counsellors and a number of support staff in the guidance and counselling section of the department, students may feel free to speak about personal issues with any of the department staff with whom they feel most comfortable. All of our staff are committed to the principle of acting in a manner which is in the best interest of students.

The department encourages and looks forward to contact with parents and students. The staff includes:

Mrs. Melanie Buckley

Counsellor (melanie.buckley@eips.ca)

Mr. Shawn Saumer

Counsellor (shawn.saumer@eips.ca)

Mr. Rick Oatway

Off Campus Education (rick.oatway@eips.ca)

Mrs. Shelley Humeny

Senior High Registrar (shelley.humeny@eips.ca)

Mrs. Karen Kobzey

Student Services Secretary (Karen.kobzey@eips.ca)
