5. **Student Report**

Terran Tyler (Grade 10)

Terran purchased his vehicle from Facey. He commented on how great it is to have the Option to take Mechanics. His previous private school did not have Options like Facey has. He loves doing mechanical things, and he's amazed at Facey's Mechanical Program. He likes Mr. Milton's unique teaching style and loves that there is Mechanics at this school.

Q: Why did you choose purchase vehicle from Facey?

A: It's an older vehicle, it's a 1970 Buick (used to be Mr. Salyzyn's car). He loves classic cars and inquired about it when he saw it on first day of school. All summer he had been looking for a classic car as a project and said it's not all about what it looks like on the outside. It has a great engine and he's done some work to it already, and drove it here tonight...with his dad in the car.

Nayah Lal-Miller (Grade 10)

Nayah is an AP student and part of the Leadership class. She has had a super amazing first two months. She acknowledged the teachers and how fantastic they have been at welcoming the students and helping them find classes. She's thankful to all the staff and other students for making her, and all the Grade 10s feel welcome. Nayah also is a member of Instrumental Band (French Horn) and Jazz Band. She says Mr. Sutherland is an amazing teacher. She is also in Drama, the teacher is hilarious teacher and has interesting stories. Drama is a small class of only 14 students and she is thankful for this as it has allowed for close connections in the class. They'll be doing a play later in the year and is excited for that. What she loves about Facey is the Opportunity Wednesdays. The early dismissal days have allowed her to get extra help with ELA (English Language Arts), and she has noticed an improvement in her academic already. Nayah is part of FLI (Facey Leadership Initiative), they have done a bottle drive already and all monies were donated to a local organization; they are supporting Breast Cancer Awareness this month; they have hosted games in gym at lunch time; they have provided food in mornings; they have written quotes on doors and windows around the school. Leadership is fun! Nayah also got to be a "mini" Secretary in office for a morning. She answered one phone call, which she said was lots of fun; she helped direct a student to a class; she took notes, and loved helping students. She was happy to have had the experience as it was a lot of fun. She's excited to learn new things and join different clubs, and be exposed to out-of-school opportunities.

Q: What play will the Drama class be performing?

A: We are not sure yet, there will be auditions where we each have to perform a monologue, and then Mr. Frank will pick play based on the auditions.

Q: Can we come see it?

A: Yes!

Ken: Musical Theatre will be performing 'Grease' at Festival Place.

## 6. Trustee Report – Don Irwin

Hope you all had a good Thanksgiving break and a good start to this year.

Our Annual Assurance Reviews begin in late October for central departments (Finance, Transportation, and Facilities) and are scheduled in November for schools.

In October, Trustees were assigned to one of the Board Committees; the Committee of School Councils (COSC), Alberta School Board Association Zone 2/3, Board Policies, Audit Committee, Advocacy Committee, Teacher's Collective Bargaining, and Expulsion Committee. Each Trustee is on two or three committees. This year I will be on the Expulsion Committee and the Advocacy Committee.

Over the summer, Facilities completed 377 policies, and average of almost 10 per school. Major projects included the first phase of the Salisbury storm water repair, and the F.R. Haythorne roof and building envelope. Other projects were renovations and upgrades to Quiet Rooms, parking lot line re-painting, annual fire alarm system, and gym floor refinishing.

School visits continue again this year. We will be visiting Fort Saskatchewan schools next Tuesday, October 17, 2023.

The monthly public board meeting will be on October 19, 2023 with the agenda and all items to be discussed and decided on the EIPS.ca website by Monday at noon. One item that will take much discussion and wisdom is the French Immersion location for Junior High and High School

If you have any questions or suggestions, please phone or text me at 587-986-3900, or email me at [don.irwin@eips.ca](mailto:don.irwin@eips.ca).

Q: I read the EIPS recommendation report for French Immersion, what are your thoughts towards it and which option will you be supporting, as they all affect Bev Facey?

A: I'll need to listen to what other trustees have to say, and what parents have to say (there are two registered to speak already), before making a decision.

Q: Is there a possibility of slowing this process down?

A: This Thursday is earliest we can make decision. This doesn't start until 2026 so no rush, but it is possible.

Q: What does the decision-making process look like?

A: It will be a majority of the Board to pass.

Q: Has there been input from many perspectives i.e.: staff, parents, survey respondents)?

A: Yes

Q: Will Facey speak at the meeting?

A: Usually the schools have a rep in attendance, so yes Facey will have a rep there.

Q: Who do parents contact if they have questions or concerns?

A: Send an email to me (Don Irwin) and I'll forward to the Superintendent.

Q: The Trustees make the decision, not Superintendent correct?

A: Correct, but she can put in recommendations.

## 7. Information Reports

### **Administrative Reports**

Principal's Report – Mr. Wlos

- September 30 leading up to National Day for Truth and Reconciliation, we had a wonderful display honouring the students from Residential Schools.
- Aboriginal Studies class had a field trip to the Hope Mission.  
(Candida) Hope Mission (novel From the Ashes – Jesse Thistle – talks about generational trauma, street drugs, culture, and recovery). We will be moving forward with the celebration of the culture (beading, drumming). The culture must be celebrated and understood, so we're working hard on that in classroom.
- Orange Shirt day was on September 29 (Sep 30 was a Saturday).
- Bev Facey Fall Rally – This rally was a fun time. All the sports were showcased and a former Grad in the Audio program is now a DJ in Fort Saskatchewan, and came out to DJ the whole thing for us. When she comes back, Shelby will share her experience with her peers and we also want to include it in Grade 9 meeting in spring to talk about it with incoming Grade 10s.

Mrs. Tattrie Update:

- Post-Secondary transition planning:  
At the beginning of the school year, a questionnaire was sent out to families “Getting to Know Your Child” and this was used to gather information regarding their student(s) competencies. From here we will be sending out specific information and next steps to families. Part of the information send out will include information about competencies (skills that employers look for), career exploration, and how to continue this conversation with staff and our Admin/Counselling teams. Parents can still complete the questionnaire if they wish: [Getting to Know Your Child](#)
- This is meant as a starting point, we want to avoid streamlining, but want to give them the tools to figure out what may be a career choice for the student
- Next year: the hope would be to send out a questionnaire/survey that would look at interests inventories and then adding that data to the current 58 groups of core competencies.
- If parents are unsure what their child’s best skills are, try this app:  
<https://www.skillscompetencescanada.com/en/program/skills-for-success/>  
(Download the app in the app store)
- Our hope is that parents would begin to explore some areas of interest with their student as they enter high school.

[Alberta School Councils' Association](#) (ASCA) is the provincial organization for families on school council. Below may be of interest to COSC members:

- The ASCA website offers various resources for school council members designed to enhance school council effectiveness and parent engagement.
- Particularly useful is the “[School Council Resource Guide](#),” which steps members through the purpose and role of a school council.
- Accessing an ASCA membership is as simple as sending an email to [Emma Small](#) that your school council—including your school council name—wants a membership to ASCA for the 2023-24 school year. EIPS will take care of registering your school council and covering the costs. As requested, the Board of Trustees and EIPS senior administration will investigate having ASCA memberships for all school councils as opposed to on request.
- Accessing the Members-only section of the ASCA website:
  - If your school council had an ASCA membership last year and you’ve requested a membership for this year:
    - **(Chair)** You should be able to **log in with your username and password from last year**. Your username will be the email ASCA has on record. If you’ve forgotten your password, send an email directly to [support@albertaschoolcouncils.ca](mailto:support@albertaschoolcouncils.ca). They can help you reset it.
  - If your school council did not have an ASCA membership last year:
    - You’ll receive an email prompting you to log in and create a password.
    - If you haven’t received this email, or may have deleted it by mistake, complete the [Update School Council Contact form](#) on the ASCA website. This will trigger the next step in the process.
- ASCA is also piloting a project called Walk Alongside Alberta. Stay tuned for more details.

A recommendation report will be given to the board at the Oct.19 board meeting, the package will be released to the public on Oct. 16 and can be found at that time on the district website under board packages.
